

Pediatrician - Telemedicine , QUADRANT MEDICAL STAFFING

Reports to: Executive Vice President - Virtual Medicine

COMPANY

Our goal at Quadrant Virtual Care is to expedite autism spectrum disorder diagnoses and facilitate earlier access to evidence-informed and individually tailored interventions. We provide community access to expert opinion for caregivers searching for answers about their child's social development.

JOB SCOPE

We are seeking physicians who are motivated to provide high quality, patient *and* family-centered care in a telemedicine setting. The ideal candidate will have a strong interest in autism and other behavioral health and developmental disorders. We are looking for someone who is passionate about improving pediatric health outcomes, and eager to learn and develop new skills using novel diagnostic approaches for autism via technology.

Responsibilities include but are not limited to:

- Complete additional training and certification to assist in providing excellent, evidence-based autism diagnostic assessments through a telemedicine video platform
- Have access to ongoing continuing education opportunities to enhance and broaden your skills in the diagnosis and treatment of autism and other neurodevelopmental disorders
- Feel supported through a team of administrative and care coordinators to assist with non-clinical duties
- Work with a group of collaborative, like-minded physicians with access to consultations and support as needed
- Have scheduling flexibility and work remotely from your home or office

KNOWLEDGE, SKILLS AND ABILITIES

- A caring and empathetic individual who enjoys helping children and their families reach their fullest potential
- Compassionate and approachable, with a history of outstanding rapport with families and colleagues alike
- Flexible and interested in working in an innovative and evolving virtual environment with continual quality improvement changes in workflow and product usage
- Efficient, hardworking and self-motivated
- An excellent communicator, with the ability to provide and receive constructive feedback

WORK ENVIRONMENTS AND HAZARDS

This position requires sitting for extended amounts of time with a majority of the tasks requiring typing at a computer station. This is a remote position. Remote employees will provide, at their expense, a secure, dedicated work area and are responsible for maintaining their work area in a safe, secure, and nonhazardous condition at all times

PHYSICAL DEMANDS

This position is mainly a stationary position involving sitting most of the time but may involve walking or standing for brief periods of time.
